RE: Negotiation of Host Agreement with Rumpke

Dear Judge Fields:

As we discussed, I am writing for the purpose of setting forth the terms of our representation of the Pendleton County Fiscal Court ("the County") in connection with the negotiation of the County's Host Agreement with Rumpke.

We will be rendering our services on an hourly basis. I anticipate that I will be doing the majority of the work for this project. My current hourly rate is \$300.00. In addition, it is possible that other attorneys in our firm may work with me on the project if appropriate. I've enclosed a copy of our current billing rates for all of the firm's attorneys. Please note that we review our hourly rates on an annual basis and thus the rates quoted herein are subject to change. If any changes are made to this schedule, I will provide to you a copy of our updated fee schedule. The County will also be responsible for out of pocket costs incurred by our firm, which could include, but not be limited to, filing fees, courier charges, copying costs and long distance charges. Our fee statements are rendered on a monthly basis, payment of which is due within thirty (30) days of receipt.

If the County is in agreement with the above, please ask it to sign a copy of this letter in the appropriate space and return it to me as soon as possible. If you have any questions, please call me at your convenience. Thank you.

We sincerely appreciate the opportunity to work with you.

Yours very truly,
 Cors & Bassett, LLC
