(B) In the event a violation of this Ordinance occurs that results in the suspension or revocation of the license, the County shall not be required to refund any portion of the license fee.

10.021 REGULATORY LICENSE FEE.

(A) Pursuant to KRS 243.075, there is hereby imposed a regulatory license fee on the gross receipts of sale of alcoholic beverages of each license issued by the County ABC Administrator. As of the time of adoption of this Ordinance, the regulatory license fee shall be 2% of gross

sales of all alcoholic beverages sold by the drink. In the case of retail sales of package distilled spirits and wine, the regulatory license fee shall be 2% of gross sales. The regulatory license fee shall be 2% on gross retail sales of package malt beverages. Thereafter, the Pendleton County Fiscal Court shall adopt at the budget adoption for each subsequent fiscal year, such annual rate for the regulatory license fee as shall be reasonably estimated to ensure full reimbursement to the County for the cost of any additional policing, regulatory, or administrative expense related to the sale of alcoholic beverages in the County. Should the Pendleton County Fiscal Court fail to address the regulatory license fee in any budget, then the regulatory license fee shall remain at the level at which it was last fixed until such time as the Pendleton County Fiscal Court shall adjust the fee.

(B) Payment of such regulatory fee shall be remitted to the Administrator and shall be held in a separate account maintained for the purpose of fully reimbursing the County for the estimated cost of any additional policing, regulatory or administrative expense related to the sale of alcoholic beverages in the County. The regulatory license fee shall be in addition to any other taxes, fees or licenses permitted by law. Payment of the regulatory license fee shall be made quarterly on forms to be provided by the County, with payment in full for the year being due no later than June 30 of each fiscal year, or at the surrender or revocation of a license or licenses, whichever occurs sooner. No license renewals shall issue unless and until the regulatory license fee has been paid in full.

(C) Failure to pay such quarterly remittance within ten (10) days of the due date constitutes a violation and subject's licensee to suspension or revocation.

(D) Penalty for failure to file a return and pay quarterly remittance by the due date is five percent (5%) of the tax for each ninety (90) days or fraction thereof. The total late filing penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars (\$10.00).

(E) Interest at the rate of eight percent (**8%**) per annum will apply to any late payments.

As provided by law, and as used herein, no order of the ABC Board is final until all appeals or appeal times shall have been exhausted. (B) Since licenses issued by the County may be in the name of corporations or other business organizations, it is necessary that ownership changes in such organizations be reported to the County ABC Administrator. The County ABC Administrator can, therefore, investigate the person to whom the ownership or management is transferred in order to ascertain whether that person is precluded by statute from holding an interest in an alcoholic beverage license.

(1) As used with regard to a partnership, corporation, LLC or other business organization herein, the word "change" is construed to include any change in managers, partners or LLC members, directors or officers of the corporation, or change in ownership or stock whereby any person secures ten percent (10%) of the outstanding ownership or stock. Said license fee shall not be payable until application is made for the transfer of said license to a new location.

The renewal by the County ABC Administrator of the license shall not be construed to be a waiver or acceptance of any violation which occurred prior to such renewal and shall not prevent subsequent proceedings against the licensee.

(A) A license may be revoked for any of the reasons for which the County ABC Administrator would have been required to refuse a license if the facts had been known.

Such extension may not extend beyond the renewal date but may be for such times as the County ABC Administrator deems appropriate in exercise of his or her sound discretion. The provisions of section (B) of this section shall also not apply to licensees whose business operations are "seasonal" and who may experience extreme downturns in revenue during certain calendar periods such that it is not economically feasible to remain open.

Similarly, no license for quota retail package sales should be issued where such a store would materially alter the character of a predominantly residential neighborhood.

(P) Notwithstanding the foregoing section (P) immediately above, the Pendleton County Fiscal Court realizes that a variety of factors might make the two hundred fifty (250) feet barrier inequitable in a particular case and that a certain degree of discretion is necessary when determining the propriety of a proposed site for a quota retail package store. Among any other relevant factors to consider, in determining whether to issue a quota retail package license where the proposed sites would be located within two hundred fifty (250) feet of a church, school, or daycare, or where the proposed sites might materially alter the character of a predominantly residential neighborhood, the County ABC Administrator is instructed to consider:

- (1) Public sentiment in the area and the fairness to all affected parties;
- (2) Number of other alcohol licensees in the area;
- (3) Potential for future growth;
- (4) Type of area involved, and whether a quota retail package store would detrimentally affect the character of the neighboring properties and/or the property values;
- (5) Type of transportation available;
- (6) Financial potential of the area;
- (7) Whether or not there exist any natural or artificial sight barriers (trees, tree-lines, hills, other buildings, extensive shrubbery, etc.) in the area which would provide an adequate visual and/or sound buffer between the sites of the proposed quota retail package store and the church, school, or daycare facility in question.
